ARTICLE IV. GAMBLING

Section 56. Purpose.

The City Council recognizes that though "lawful gambling" as set forth in Minnesota Law, Section 349.11 to 349.22, may not appeal to all members of society, it is an activity that is engaged in by a significant portion of the population and the financial profits thereof without the aid of Minnesota Statutes, Section 349.11 to 349.22, may or may not be used to the benefit of society.

The City Council of the City of Chaska further recognizes that most charitable organizations and their members provide a much needed and useful service to mankind; and the City Council is especially appreciative of the goals and objectives of all of the charitable or non-profit organizations established or organized within the Chaska community; the Council commends these organizations for their contribution to worthy causes within and without the Chaska community and, therefore, the Council supports the purposes for which Minnesota Laws, Section 349.11 to 349.22 were adopted.

The ability to obtain a license under Minnesota Statutes, Section 349.11 to 349.22 to conduct lawful gambling in the City of Chaska is a privilege granted by the State of Minnesota and the City of Chaska and not a right guaranteed by the Constitutions of the United States of America or the State of Minnesota. The City Council feels that there are many areas within the Chaska community wherein the profits derived from lawful gambling within the City could well be spent to the benefit of the community; and, therefore, would encourage such funds to be used within the Chaska community. (Ord. No. 275, Sec. 1, 2/5/79; Ord. No. 378, Sec. 1, 3/4/85; Ord. No. 381, Sec. 1, 6/3/85)

Section 57. Adoption of Minnesota laws as to lawful gambling.

Minnesota Laws, 1984, Chapter 502, Article 12, Section 1, through and including Section 23, is hereby adopted by reference the same as if it were fully set forth herein except as said Laws are hereinafter modified or amended. (Ord. No. 381, Sec. 2, 6/3/85)

Section 58. Limitations on certain gambling sites.

No more than one licensed organization may conduct lawful gambling on any premises at which there is a gambling site during the same period or periods of time that another licensed organization is

conducting lawful gambling. All leases pertaining to lawful gambling shall state the days of the week during which a licensee may conduct lawful gambling on said premises. This prohibition shall, however, not apply to the conduct of raffles. (Ord. No. 38 1, Sec. 3, 6/3/85)

Section 59. Limitations on certain leases.

The following forms of lawful gambling consisting of paddlewheel, tipboard and pull-tabs may only be conducted by a licensed organization on premises owned by said organization or on premises leased by said organization and which premises has a valid "on-sale" license issued by the City of Chaska pursuant to Chapter 3 of the Code of Ordinances, Chaska, Minnesota. (Ord. No. 381, Sec. 4, 6/3/85).

Section 60. Licenses.

Lawful gambling licenses in the City of Chaska may only be granted to an organization qualified under Minnesota Statutes, Section 349.11 to 349.22 and which such organization has either fifty percent (50%) or more of its active members residing within the City of Chaska or which meet regularly at least once a month, and at least ninety percent (90%) of such regularly scheduled meetings are conducted within the City of Chaska. (Ord. No. 275, Sec. 5, 2/5/79; Ord. No. 381, Sec. 5, 6/3/85)

Section 61. Reports.

Each licensee shall annually, within sixty (60) days after the close of each annual licensing period, file a report with the City Clerk in such form as prescribed by the City, which reports shall show how the profits derived from lawful gambling conducted by such licensee have been spent for lawful purposes as defined by Minnesota Statutes. At least fifty percent (50%) of said profits shall be spent for lawful purposes within the City of Chaska or benefiting persons within the Chaska community. Failure to do so shall be sufficient cause for immediate termination of such license by the City Council. (Ord. No. 381, Sec. 6, 6/3/85)

Section 62. Severability.

If any section, paragraph, phrase, or provision of this ordinance shall be determined invalid for any reason, such determination of invalidity shall not affect the remaining provisions of this Ordinance. (Ord. No. 381, Sec. 7, 6/3/85)

ARTICLE V. ADULT ORIENTED BUSINESSES

PREAMBLE

Whereas, the City of Chaska recognizes the sanctity and fundamental nature of free speech; and

Whereas, the City of Chaska does not intend to regulate or ban speech based on content; and

Whereas, the City has reviewed the State Attorney General's Report of the Attorney General's Working Group on Regulation of Sexually Oriented Businesses: dated June 6, 1989, which details the effects and impacts of sexually oriented businesses; and

Whereas, the Cities of Shakopee, Hopkins, St. Louis Park, and numerous other cities in the Minneapolis-St. Paul metropolitan area have studied the reports and conducted their own studies and have come to similar conclusions on behalf of their respective communities; and

Whereas, the City of Chaska is similar to the cities in the Attorney General's study and the numerous other cities in the metropolitan area and will experience the same impacts from sexually oriented businesses; and

Whereas, sexually oriented businesses have an impact on the neighborhoods surrounding them distinct from the impact caused by other uses; and

Whereas, residential neighborhoods located within close proximity to sexually oriented businesses experience increased crime rates (sex-related crimes in particular), lowered property values, increased transience, and decreased stability or ownership; and

Whereas, the adverse impacts which sexually oriented businesses have on surrounding areas diminish as the distance from the sexually oriented use increases; and

Whereas, studies of other cities have shown that among the crimes which tend to increase either within or in the near vicinity of sexually oriented businesses are rapes, prostitution, child molestation, indecent exposure and other lewd and lascivious behavior, and

Whereas, sexually oriented businesses are not appropriate in or near locations or areas that attract children, such as parks, pedestrian paths, schools, recreation areas, libraries, and churches; and

Whereas, studies of other cities have shown that the values of both commercial and residential properties either are diminished or fail to appreciate at the rate of other comparable properties when located in proximity to sexually oriented businesses; and

Whereas, the adverse impacts of sexually oriented uses are exacerbated when the uses are located near each other; and

Whereas, the presence of liquor establishments in the immediate vicinity of sexually oriented uses also compounds the adverse impacts on the neighborhood; and

Whereas, the risk of public health and safety problems can be significantly reduced by careful regulation of such businesses.
